

TECHNICAL DATA SHEET

INTERIOR SHINE

PROFESSIONAL GRADE

VINYL DRESSING

Vinyl dressing to protect, beautify, and restore dull surfaces to their original luster.

ADVANTAGES

- Enviroway Interior Shine cleans and restores vinyl, rubber, leather, plastic, acrylic, fiberglass, and wood.
- Protects surfaces from wear and tear caused by frequent use and exposure.
- Leaves surfaces with a naturally antistatic covering to keep them clean longer.

DIRECTIONS

1. Thoroughly clean and dry surface.
2. Use a cloth or sponge applicator to apply Interior Shine thereby avoiding overspray onto floors or glass.
3. After complete penetration, use a soft clean cloth or towel to wipe off excess product.
4. If more than one application is necessary, repeat steps 2 and 3.
5. For maintaining the attractive appearance of the treated surface, periodically reapply.

SPECIFICATIONS
