

TECHNICAL DATA SHEET

RAPID-CLEAN

PROFESSIONAL GRADE

READY-TO-USE CLEANER

An all purpose cleaner for any spray and wipe job from light duty to heavy, embedded soil. Removes grease, ink, crayon, pencil, lipstick, greasy food soils, smoke film, with no excess scrubbing, no rinsing and no residue. Cleans deep, cuts through and lifts soil.

ADVANTAGES

- Ready-to-use convenience. No measuring or mixing required...just spray on and wipe away soil.
- Removes dirt, grease, oily films, fingerprints, lipstick, crayon, ink, pencil marks, smoke film, etc.
- Use on painted surfaces, walls, floors, counters, vinyl, office equipment, utensils, range hoods, vehicle exterior and interior, fiberglass, aluminum and many other washable surfaces.
- Use on carpet as a spot cleaner.
- Will not "etch" or streak glass, aluminum, stainless.
- Fast Acting
- Free Rinsing
- Non-Flammable

DIRECTIONS

SPRAY CLEANING

Apply with trigger sprayer. Wet a small area with Enviroway Rapid-Clean. Allow dwell time for product to penetrate and lift soil. Using a soft towel or cloth, wipe until soil is removed. If needed re-wipe with damp towel or cloth. DO NOT allow product to dry on surface.

To clean office equipment surfaces that should not be directly sprayed, first apply to towel or cloth, then wipe on surface to be cleaned.

BLACK STREAK REMOVER. Excellent for removing black streaks from aluminum and fiberglass, RV's and boats.

Although safe on most washable surfaces, always test product in an inconspicuous area to make sure product will not damage surface being cleaned.

SPECIFICATIONS
