

A. Scope of This Program

This Program is separated from and does not extend the vehicle manufacturer's warranty. This Program will take effect only after the OEM warranty expires. However, Enviroway will pay the deductible amount paid by you under any extended service contract purchased by you which covers such a claim. It is subject to the terms and conditions contained herein.

Enviroway through its Authorized Claims Administrator, agrees to repair or replace parts of the:

Fuel (gasoline) listed herein that has been serviced with 6010 or 6060

Engine (gasoline) listed herein that has been serviced with 5050

Automatic Transmission listed herein that have been serviced with 1050

Cooling System listed herein that have been serviced with 3050

Fuel (diesel) listed herein that has been serviced with 6070

Engine (diesel) listed herein that has been serviced with 5050

B. Terms, Duration and Extension of this Program

This Program is subject to the terms and conditions contained herein: The service must have been performed before 120,000miles/193,100 km as shown on the odometer. Vehicle must be serviced with appropriate Enviroway Pre-Owned Vehicle Service Kit.

This Program will take effect upon purchase of the vehicle by the customer and expires 6 months/180 days or 6,000miles/10,000 km from purchase of the vehicle by the customer, whichever occurs first.

C. What is covered:

Payment of claims under this protection plan is limited to the labor time necessary to make repairs or to replace any irreparably damaged parts as allocated by Motor or Mitchell Flat Rate Guide or other industry accepted flat rate guide, multiplied by the commercial repair shop's posted hourly labor rate plus the reasonable cost of replaced parts of like kind and quality at the administrator's discretion.

Additional Coverage notes:

State tax, local tax, storage fees, shop supplies, core charges and diagnosis are not covered by this plan.

Enviroway Reimbursement Terms in US Currency, Maximum Coverage is \$2,000 Per Vehicle

PRE OWNED VEHICLE PROTECTION PLAN

This Enviroway Pre-Owned Protection Plan covers only the lubricated parts contained within:

Automatic Transmission:

Covers only the lubricated parts contained within the transmission housing or case only when damaged by an internally lubricated part covered under this Program. Items not covered are leaking transmission seals and gaskets; electrical components, such as solenoids. Proper fluids meeting vehicle manufacture's specifications must be used.

Cooling System:

Covers only the lubricated parts contained within the heater core, water pump, freeze plugs, and radiator. Items not covered are hoses, clamps, thermostats and engine components.
